M = Major Missions

Within our Male dominated Military and Corporate World, females are/have never been treated with equal respect with regards to the importance of their sacrifices of Family, Comfort and Home lives for the betterment of all mankind as they join/have joined the Corporate and / or Military armed forces.

®TDM COMICS International is thus producing a sci-fi futuristic animated series from its comic book, ‘©G.i.J.i.M.O.M’. It is a Unique Special Military of all Female Super Heroic crime-fighting series that is created with some very lofty goals and missions of honoring all Corporate females, honoring moms, and honoring military females who sacrificed much for the betterment of Humanity, also created to give Acknowledgment, Credit, Wisdom and Satisfaction to all of those females around the world through the adventures of the special forces of the ©G.i.J.i.M.O.M. Unit.

In creating this unique Special forces of Female Super Heroic “T.E.A.M.”, we bring to light, some truly Honorable and awesome powers of the difference of contributions, which are equally important in the world, which women and female Military ©G.i.J.i.M.O.M.s have/do make as their sacrifices for our world of comfortable freedoms.
